Regarding the Portland City Council Resolution – Portland Must Fire Quincy Franklin & Gregory Isaacson

FEBRUARY 7, 2019

Reposted from [Rose City Antifa](#)

On Thursday February 7, 2019, Portland City Council passed a [resolution](#) acknowledging Portland's grotesque and ongoing history of white supremacy and racism, and "reaffirm[ing] its commitment to continue, in collaboration with Portlanders, pursuing policies and directing bureaus in the next year and beyond to ensure civil and human rights to all individuals." The resolution also states that "the city of Portland is proud to

Many Portland residents would appreciate not just an empty statement, but actual accountability for the police's actions when they assaulted anti-fascist activists on August 4th, as well as the police's subsequent [lies](#) and [ridicule](#) against Portlanders who had assembled to oppose the fascist provocations and violence which the City Council is claiming to "stand united against."

But additionally, Rose City Antifa would recommend that the city begin by cleaning house by removing certain bigots and racists currently working for the City of Portland.

The [saga](#) of Nazi Cop [Mark Kruger](#) is well-known at this point, as is the City of Portland's [lack of accountability](#) for [his construction of a Nazi shrine in a Portland city park](#). Kruger would be an obvious first choice if the city were interested in backing up its resolution with concrete changes.

But additionally, it has recently come to the attention of Rose City Antifa that two other bigots are currently employed by the city, who are both actively involved in organizing geared toward enabling racism, white supremacy, homophobia, misogyny, and hateful violence: [Quincy Lee Franklin](#), and Gregory Norman Isaacson. These two individuals have been organizing with Patriot Prayer, the Proud Boys, and other bigotted and white nationalist groups, and have been in attendance at the events in Portland over the last two years which the city leadership claims to oppose.

We have [written about domestic abuser, misogynist, and virulent Islamophobe Quincy Franklin before](#), and often pointed out his collaboration with [extremely violent and openly white nationalist hate preacher Allen Pucket](#) as well as his membership in Pucket's hate group "Hell Shaking Street Preachers." Franklin, a current employee of the Portland Water Bureau, often takes to Portland's streets not just to locate buried water pipes, but to assault, intimidate, and harass members of the LGBT+ community, Muslims, and immigrants.

Quincy Franklin: [yelling at a huge crowd of strangers through a megaphone outside an Elton John concert at the Moda Center] Any person who loves god would not be supporting this f*ggot in the Moda Center. They would not be supporting that f*ggot in the Moda Center tonight... F*ggots like Elton John on his little farewell tour on the yellow brick road, is on his way to hell-fire and he deserves it.

Portland City Council Must Take Action

It is not enough for the Portland City Council to condemn the white supremacists who are invading Portland's streets and threatening our community. The Council must take concrete action by removing bigots from public jobs, where their influence can be used to harm the community. If this is truly a city government that wants to take a stand against white supremacy, they must take action, not just produce empty resolutions.
